All of our cattle are born and raised on our own pastures without confinement.
 They are 100% grass fed and grass-finished with non-GMO grass.
 Our cattle have never had grain, growth hormones, implants or animal by-products.
 Antibiotics are ONLY used therapeutically under the direct supervision of a vet.
 If treated, we withhold any animal for DOUBLE the time prescribed by law to avoid residues.
 Our beef is USDA inspected and dry aged for a minimum of 14 days.
 Each cut of meat is individually vacuum seal wrapped
